

LION BRAND
Oxide Colours

LION BRAND Oxide Colours take the drabness out of plain grey and White Cement. They transform dull concrete into something fascinating to the eye. Fast to light and alkalis.

LION BRAND Colours are widely used by tile and distemper manufactures, oxychloride and Situ workers.

Beauty in Colours

Available in 17 attractive shades **LION BRAND** has limitless uses. Useful for making concrete bricks, paving stones, composition floorings, coloured renderings on buildings and with certain colours as camouflage for defence and other purposes.

Direction for Use

Mix **LION BRAND** thoroughly with dry cement and pass through a fine sieve. Then add aggregates and water in proportion according to strength of colours desired. For pastel shades, 6 kg. of **LION BRAND** per bag of cement is recommended.

Packing : 50 kg. Bag
25 kg. Bag
5 kg. Bag
